

AAA or AA—In Which Club Do We Want to Belong?

Lauren Oppenheimer
Deputy Director of the
Economic Program

David Hollingsworth
Policy Advisor, Capital
Markets Initiative

Jessica Harris
Marketing and Events
Manager

Austria, Canada, and Germany or Slovenia, Spain, and Chile? That's the difference between AAA and AA. And the difference in yield in a 10-year note ... about 75 basis points. Check out our user friendly one-pager.
