November 2011 – The *Inside Politics Newsletter* is authored by revered political analyst and longtime CNN contributor, [Bill Schneider](#). He provides monthly insights into the pols, polls, and issues that shape our political landscape.

In this issue: Can the Super Committee commit to a “Super Compromise?” How are the Republican candidates stacking up against President Obama? Is lowering the deficit or lowering unemployment more important to Americans? What will be the ramifications if the Super Committee cannot reach an agreement and the sequestration cuts are put into effect? These are the questions that I tackle in the November issue of my *Inside Politics Newsletter*.
