

The First Cut is the Deepest

Bill Rapp

Former Senior Manager
of Design and Production

Third Way has calculated 10 ways that sequestration may impact the everyday lives of Americans, particularly those who see very little value in government.

Our examination of sequestration—essentially what happens if the Super Committee fails to achieve a deal—includes bad and worse news: criminals evading incarceration, new cases of food poisoning, more time on the tarmac, unreliable weather reports, and gun purchase delays.
