6 Key ACA Accomplishments

1.

>129M

The ACA protects more than 129 million Americans with pre-existing conditions from discrimination by insurance companies.

2.

4 out of 5

4 out of 5 ACA customers can find insurance plans for $10 or less a month.

3.

>100

More than 100 preventive services are free for more than 230 million Americans.

4.

10

The ACA requires that all insurance companies cover 10 essential health benefits, including hospitalization and maternity care.

5.

+32M

The ACA expanded Medicaid to cover an **additional 32 million** low-income Americans.

6.

16% → 8%

The ACA cut uninsured rates in half from 16% to 8%.
