Q44. Some of the Trump tax cuts will expire at the end of 2025. Renewing them will cost about \$4 trillion because of the lost revenue. Given this, which is closer to your view of what Congress should do with this round of tax cuts?

**Ranked by All**

The previous tax cuts should be allowed to expire, and rates should return to what they were before 2017	42
The previous tax cuts should be renewed	27
The previous tax cuts should be renewed as long as they are paid for with other tax increases or spending cuts	26
Don't know	5

Q45. Whose policy position do you prefer? Those who say:

**Answers Randomized in Testing**

They cannot support the Trump tax bill because it adds \$4 trillion to the national debt. While it includes some middle class tax cuts and even some tax cuts for senior citizens, we cannot keep adding trillions in red ink.	37
Americans need the middle class tax cuts in the Trump tax bill. It will help working people and make the economy grow.	58
Don't know	5

Q46. Whose policy position do you prefer? Those who say:

**Answers Randomized in Testing**

They cannot support the Trump tax bill because it provides tax breaks and loopholes to billionaires and huge corporations. While it includes some middle class tax cuts and even some tax cuts for senior citizens, ordinary people don't get enough compared to the tax breaks that billionaires and corporations get.	42
Americans need the middle class tax cuts in the Trump tax bill. It will help working people and make the economy grow.	54
Don't know	4

Q47. Whose policy position do you prefer? Those who say:

**Answers Randomized in Testing**

They cannot support the Trump tax bill because it slashes \$800 billion dollars in health care spending to pay for tax cuts to billionaires and wealthy corporations. While it includes some middle class tax cuts and even some tax cuts for senior citizens, the \$800 billion in Medicaid cuts is too high a price to pay.	46
Americans need the middle class tax cuts in the Trump tax bill. It will help working people and make the economy grow. Besides, the spending cuts to Medicaid can easily be paid for by ridding the program of waste.	49
Don't know	5

Q48. Some Democrats in Congress have suggested that we continue the 2017 Trump tax cuts for people making under a certain income threshold. At which income level would it make sense to allow the tax cuts to expire, if any?

\$250,000 or above	23
\$600,000 or above	20
\$1,000,000 or above	6
The tax cuts should be made permanent for everyone, regardless of income	25
The tax cuts should expire for everyone, regardless of income	20
Don't know	5

Q49. One proposed approach is to keep some of the 2017 tax cuts in place but let the higher rates resume for anyone who earns \$600,000 or more so the cuts will have less of an impact on the national debt. Which approach would you consider more fiscally responsible?

**Ranked by All**

The cuts should be retained except for those who earn \$600,000 or more a year	44
All of the previous tax cuts should be renewed	29
All of the previous tax cuts should be allowed to expire	23
