Proposal for Moderate Power Venture Funding

Please keep your total combined written response for project description, goals, obstacles, work to date, and budget explanation to 1500 words or less. You may attach supplementary materials in the designated field if necessary, but be mindful that we will not have time to review lengthy attachments in detail.

Describe your initiative.*

Be sure to include details about what makes your project exceptional and how it satisfies the selection criteria outlined in our RFP.

What goals do you hope to achieve in the next year?*

What will be the demonstrable results, and what metrics will you use to measure them?

What are your long-term goals?*

Be as specific about dates, timelines, and metrics for success as possible. We understand that these are aspirational.

What will likely be your main obstacles to success?*

Describe your project's activity and progress to date.

What is your current operating budget?

Provide as much detail as you are comfortable sharing.

How will you allocate any grant money you receive from Third Way?*

If you entered a funding range above, please describe how the allocation will change depending on investment level.

Attach any brief supplementary materials here.
